Capability Statement

Summary

Established in 2019, Umemba Health LLC is a woman and minority-owned public health education and consulting agency. We help public health organizations and healthcare systems to educate their frontline workforce, empower their leadership, and expand their community presence. Our consulting and training solutions increase workforce readiness and support career development for the public health workforce, contributing to individual development and organizational performance that leads to improved public health and population health outcomes.

Capabilities

We are experts in...

- Public health and population health approaches
- Curriculum and workforce development, workshop facilitation, speaking and presenting
- Continuing and professional development, career coaching and mentoring
- Training and certification of the public health workforce (Community Health Workers)
- Public health/healthcare consulting

Customers

- National Association of City and County Health Officials
- Epilepsy Foundation of America
- Project Hope
- Medical University of South Carolina
- Oregon Community Health Worker Association
- Diversity in Diabetes
